Eric
Dear Senator Abetz,

I would formally like to extend my congratulations to you on your appointment as Minister for Employment and Minister Assisting the Prime Minister on the Public Service in the Coalition Government, as well as Leader of the Government in the Senate.

I would also like to take this opportunity to raise with you a number of the Coalition's election commitments for Tasmania and express my interest in being kept informed of any relevant developments relating to these matters that you may have carriage of.

As you would be aware, included in the Coalition's Economic Growth Plan for Tasmania are some elements I believe you and your department are likely to have some involvement in. They are:

- Implementing the trial jobs program that provides payment of \$3,250 to a Tasmanian business that hires unemployed jobseekers;
- The establishment of the Joint Commonwealth and Tasmanian Economic Council that will include the Prime Minister, Treasurer and representatives of Tasmanian business and the State Government and;

- Other job-creating commitments such as \$16 million towards a \$66 million upgrade of the Cadbury Chocolate factory in Claremont.

Thank you in anticipation of your willingness to keep me informed on the above.
