

FOI request: July 2105

OTN has received the following FOI request from E Doyle regarding stakeholders attending the margins of TPP negotiating sessions. The specific FOI request follows:

"A list of the names of businesses or industry associations that had representatives in the margins of Ministerial Trans-Pacific Partnership Agreement negotiating sessions since September 2013, when Mr Robb was appointed to the Trade Portfolio."

In response to the above request, please see the following names of businesses or industry associations which members of the TPP negotiating team are aware were in attendance in the margins of TPP Ministerials. These include representatives from American, Australian and Canadian entities.

- American Apparel and Footwear Association
