Dear Lynette,

Lovely to see you again, thanks for coming across. Here is the engagement strategy – we'll add you to the distribution for the March version (likely next week).

I've also attached our team's country allocations, if it would be helpful for Int Div advisers to have. They should feel free to get in touch if they'd like a briefing on the state of play.

Hi s.22(1)(a)(ii)

Yes, that's correct. DOE can give you the text of the other letter (though they are the pen holder, some of the letters will go out under joint signature of EM and FM). I assume International is also in the loop (given the recipients)?

There won't be a cut-across, more just a duplication – it's important they go to leaders (as well as ministers). Will call you in 10 mins to discuss.
