1. Introduction

The Australia Awards Scholarships are long term development awards administered by the Department of Foreign Affairs and Trade (DFAT). They aim to contribute to the long-term development needs of Australia’s partner countries in line with bilateral and regional agreements.

The Australia Awards Scholarships provide opportunities for people from developing countries to undertake full-time undergraduate or postgraduate study at participating Australian universities and Technical and Further Education (TAFE) institutions. Through study and research opportunities in Australia, the Australia Awards Scholarships develop the skills and knowledge of individuals to drive change and contribute to the development outcomes of their own country.

**Australia Awards Scholarships recipients are required to return home for two years after they have completed their studies in order to contribute to the development of their country.**

This User Guide is designed for people applying for an Australia Awards Scholarship. The Guide introduces applicants to the Online Australia Awards Scholarships Information System (OASIS) which is used to submit online Australia Awards Scholarship applications, and steps them through the application process.

Online applications for the 2020 Intake of Australia Awards Scholarships will be **open** in OASIS on **01 February 2019** and **close** at **midnight Australian Eastern Standard time on 30 April 2019**. Please be aware that not all eligible countries permit online applications.

! Attention !

You must check the Participating Country page for details on how to apply and read the Australia Awards Scholarships Policy Handbook before submitting an application.
2. Eligibility to apply

STOP!
Are you eligible to apply for an Australia Award Scholarship?

Applicants for an Australia Awards Scholarship must meet all relevant eligibility requirements.

**Participating Countries**

Not all countries participate in the Australia Awards Scholarships program.

Before creating a new application you must check the Participating Country page on the DFAT website to confirm that your home country is a participating partner, and for details on how to apply.

**Other Eligibility Requirements**

All applicants must begin by reading the eligibility criteria set out in the Australia Awards Scholarships Policy Handbook. The following are an example of some of the eligibility criteria:

- Residing in, being a citizen of, and applying from a participating partner country.
- Being a minimum of 18 years of age.
- Not currently serving military personnel.
- Not applying for a visa to live in Australia.

! Attention !

The Australia Awards Scholarship Policy Handbook provides the guiding policy on the Australia Awards Scholarships and all applicants must be familiar with its provisions.
3. OASIS page elements

In order to use OASIS to create and submit your application for an Australia Awards Scholarship, there are some important elements of OASIS that you will need to be familiar with.

These elements are as follows:

**Help Text**

Each page of the application will begin with Help Text. The Help Text will contain additional information on how to complete the application page you are on. Some Help Text may also include links to various websites.

Here is an example of the Help Text:

Error Messages

In addition to the Help Text, OASIS will display error messages. These error messages will appear in Red at the top of each page, directly below the help text if any of the required information has not been entered on the application page.

Some common error messages are as follows:

For example: this error message indicates all the mandatory fields on one page of the application have not been completed. If you see an error message like this, you will not be able to submit your application until you have completed all the necessary fields.

! Attention!

All fields that have an * next to them are mandatory. These fields must be completed.
Character Limits

‘Free text fields’ are fields or boxes, that form part of the OASIS application, and which allow you to enter additional information to support your application. These fields have **Character Limits**.

‘Characters’ include letters, spaces and punctuation marks.

It is important that you stay within the character limit as OASIS will not allow you to enter more than the limit. You will be not be able to complete and submit your application until you have removed the additional characters.

! Attention !

All information entered in free text fields must be clear, concise, relevant, and must not exceed the character limit.

8. Submitting your application

Once you have pressed **Submit** on the **Declaration** screen you have completed all the tasks in the Application Checklist and submitted your application for consideration by DFAT.

**Submission Deadline**

All online applications must be submitted in OASIS, with all relevant documents attached, by **midnight Australian Eastern Standard Time on 30 April 2014**.

OASIS will close to all applicants at that time. After this time applicants will no longer be able to view, edit or submit applications. There is no exception to this rule.

! Attention !

OASIS will become very busy in the few days before 30 April 2019. To avoid the possibility of not being able to submit your application, we **strongly advise** applicants applying online to submit their applications well before the closing date. OASIS experiences peak usage in the days leading up to the closing date and applicants may experience delays.
9. Making changes after submission

All applications may be edited while they are in Draft before they have been submitted. In practice this means applicants can log in and out of OASIS and make changes to Draft applications at multiple times up until they have hit Submit on the Declaration screen.

Once an application has been submitted, it has to be un-submitted in order to make changes. Un-submitting allows applicants to edit and resubmit an amended application.

1. To un-submit your application; open your application in OASIS select Un-submit Application on the Application Menu.

This will open the Un-Submit Application screen.

2. The Un-Submit Application screen will open with a verification confirming that the application is about to be recalled.

Select Un-Submit and the status of the application will change back to Draft.

STOP!

Remember to re-submit your application when you have completed your changes and before the submission deadline midnight Australian Eastern Standard Time on 30 April 2019.
