WHAT IS NEW IN PHASE II?

1. Bigger Grants

Participating city/district governments are eligible for different grant packages depending on whether they have an existing WWTP in place with idle capacity or no WWTP.

**No Existing WWTP**

Each new WWTP with 10 functioning HCs shall receive compensation of up to 50% of the total number of designed HCs x Rp 13 million*  
*Maximum value

Grant Package 1 = 50% x Σ WWTP designed HCs x Rp 13 million*

**Existing WWTP with idle capacity**

Rp 6 million per new HC connected to existing WWTP

Grant Package 2 = Rp 6 million x Σ New HCs

2. Faster Process

Package 1 (No Existing WWTP)

- 2020
- Part Payment of Grant
- Balance Payment of Grant

Package 2 (Existing WWTP with Idle Capacity)

- 2020
- Part Payment of Grant
- Balance Payment of Grant
"Output Based Grant Payments"

Payments of SAIIG grant funding are available under an Output Based approach, which means:

- Local government shall first fund the project using the Regional Revenues and Expenditure Budget (APBD).
- Following project completion, verification that technical standards have been met shall be performed by an independent consultant, followed by a standardized BPKP audit.
- When construction meets required standards, the grant shall be paid by the Ministry of Finance directly to the Regional General Treasury Account (RKUD) in accordance with the On-Granting Agreement.

Behavior Change

SAIG will maximize the impacts of better sanitation by engaging civil society:

- To ensure participation of men and women
- To ensure Social Inclusion
- To improve Good Governance
- To build demand for better sanitation

CRITERIA AND REQUIREMENTS

Criteria:

- A valid City Sanitation Strategy (SSK) Document
- Residential areas with high population density (150 people/ha at a minimum)

Requirements:

- A letter of intent submitted to the National Government (Directorate General of Human Settlements - Public Works and Housing (DGHS-PUPR)) c/o CPNU.
- Availability of a Detailed Engineering Design (DES) or willingness to allocate a budget for DED preparation in the current fiscal year.
- Willingness to implement Good Governance and Gender Equality measures.
