- 2.
- 3.
- 4.
- 5.

Statement of Claims: Why should we select you?

For example, what kind of story of your visit to Australia would you seek to tell? Who would your stories talk to? What would you hope to gain from the experience?

SELECTION CRITERIA

The broad criteria against which applicants will be assessed are:

-
- The relevance and unique qualities of the stories proposed by the applicant including how the stories inform audiences about the Australia-Indonesia bilateral relationship
- The applicant's personal and professional experience, and how they see the Award as furthering their personal and professional objectives
- Agreement for publication or broadcast of the applicant's stories including outlet and audience reach
- How the applicant plans to develop and sustain relationships with counterparts and contacts established during the Award program.
