

ANNEX III
SCHEDULE OF THE UNITED STATES

Introductory Note for the Schedule of the United States

1. The Schedule of the United States to Annex III sets out:
 - (a) headnotes that limit or clarify the commitments of the United States with respect to the obligations described in sub-paragraph (b)(i) through (v) and in sub-paragraph (c);
 - (b) in Section A, pursuant to Article 13.9 (Non-Conforming Measures), the existing measures of the United States that do not conform with some or all of the obligations imposed by:
 - (i) Article 13.2 (National Treatment);
 - (ii) Article 13.3 (Most-Favored-Nation Treatment);
 - (iii) Article 13.4 (Market Access for Financial Institutions);
 - (iv) Article 13.5 (Cross-Border Trade); or
 - (v) Article 13.8 (Senior Management and Boards of Directors); and
 - (c) in Section B, pursuant to Article 13.9 (Non-Conforming Measures), the specific sectors, sub-sectors, or activities for which the United States may maintain existing, or adopt new or more restrictive, measures that do not conform with the obligations imposed by Article 13.2, 13.3, 13.4, 13.5, or 13.8.
2. Each entry in Section A sets out the following elements:
 - (a) **Sector** refers to the general sector for which the entry is made;
 - (b) **Sub-Sector** refers to the specific sector for which the entry is made;
 - (c) **Obligations Concerned** specifies the obligation(s) referred to in paragraph 1(b) that, pursuant to Article 13.9, do not apply to the listed measure(s);
 - (d) **Level of Government** indicates the level of government maintaining the listed measure(s);
 - (e) **Measures** identifies the laws, regulations or other measures for which the entry is made. A measure cited in the **Measures** element:
 - (i) means the measure as amended, continued, or renewed as of the date of entry into force of this Agreement, and

- (ii) includes any subordinate measure adopted or maintained under the authority of and consistent with the measure; and
 - (f) **Description** provides a general, non-binding description of the Measures.
3. Each entry in Section B sets out the following elements:
- (a) **Sector** refers to the general sector for which the entry is made;
 - (b) **Sub-Sector** refers to the specific sector for which the entry is made;
 - (c) **Obligations Concerned** specifies the obligation(s) referred to in paragraph 1(c) that, pursuant to Article 13.9, do not apply to the sectors, sub-sectors, or activities listed in the entry;
 - (d) **Level of Government** indicates the level of government maintaining the listed measure(s); and
 - (e) **Description** sets out the scope of the sectors, subsectors, or activities covered by the entry.
4. For entries in Section A, in accordance with Article 13.9.1(a), the articles of this Agreement specified in the **Obligations Concerned** element of an entry do not apply to the law, regulation or other measure identified in the **Measures** element of that entry, except to the extent the measure identified in the **Measures** element is inconsistent with a Specific Commitment in Annex 13-B.
5. For entries in Section B, in accordance with Article 13.9.2, the articles of this Agreement specified in the **Obligations Concerned** element of an entry do not apply to the sectors, sub-sectors, and activities identified in the **Description** element of that entry.
6. Where the United States maintains a measure that requires that a service supplier be a citizen, permanent resident, or resident of its territory as a condition to the provision of a service in its territory, a listing for that measure taken in Annex III with respect to Articles 13.2, 13.3, 13.4, or 13.5 shall operate as a non-conforming measure with respect to Articles 11.3 (National Treatment), 11.4 (Most-Favoured-Nation Treatment), and 11.9 (Performance Requirements), to the extent of that measure.

Headnotes

1. Commitments in these sub-sectors under the Agreement are undertaken subject to the limitations and conditions set forth in these headnotes and in the Schedule below.
2. National treatment commitments in these sub-sectors are subject to the following limitations:
 - (a) National treatment with respect to banking will be provided based upon the foreign bank's "home state" in the United States, as that term is defined under the International Banking Act, where that Act is applicable. A domestic bank subsidiary of a foreign firm will have its own "home state," and national treatment will be provided based upon the subsidiary's home state, as determined under applicable law.¹
 - (b) National treatment with respect to insurance financial institutions will be provided according to a non-U.S. insurance financial institution's state of domicile, where applicable, in the United States. State of domicile is defined by individual states, and is generally the state in which an insurer either is incorporated, is organized, or maintains its principal office in the United States.
3. To clarify the U.S. commitment with respect to Article 13.4 (Market Access for Financial Institutions), juridical persons supplying banking or other financial services (excluding insurance) and constituted under the laws of the United States are subject to non-discriminatory limitations on juridical form.²
4. The United States limits its commitments under Article 13.9.1(c) (Non-Conforming Measures) with respect to Article 13.4 (Market Access for Financial Institutions) in the following manner: with respect to banking and other financial services (excluding insurance), Article 13.9.1(c) shall apply only to non-conforming measures relating to Article 13.4(a) and not to those non-conforming measures relating to Article 13.4(b).

¹ Foreign banking organizations are generally subject to geographic and other limitations in the United States on a national treatment basis. Where such limitations do not conform to national treatment, they have been listed as non-conforming measures. For purposes of illustration, under this approach, the following situation does not accord national treatment and would therefore be listed as a non-conforming measure: a foreign bank from a particular home state is accorded less favorable treatment than that accorded to a domestic bank from that state with respect to expansion by branching.

² For example, partnerships and sole proprietorships are generally not acceptable juridical forms for depository financial institutions in the United States. This headnote is not itself intended to affect, or otherwise limit, a choice by a financial institution of the other Party between branches or subsidiaries.
