⁽a) All data is on a balance of payments basis, except for goods by economy which are on a recorded trade basis. (b) May exclude selected confidential export or import commodities from partner economy totals as well as for the economy groups. Refer to the DFAT website (https://www.dfat.gov.au/trade/trade-and-investment-data-information-and-publications/trade-statistics/trade-time-series-data) for more information and a list of the commodities excluded. (c) Includes DFAT estimates for some years.

⁽d) Groups are based on the latest member economies. Group totals in this product may differ to those reported by the ABS.

Based on DFAT STARS database and ABS catalogues International Trade in Goods Jul-2024 reference month, Balance of Payments and International Investment Position, Australia, Sep qtr 2024, International Trade: Supplementary Information, Financial Year 2023-24
