Please find attached the current version of the program to assist your pre-briefing of the Attorney-General tomorrow. Since we last spoke we have had the confirmation of two additional meetings:

s 47C(1)

Visit Reporting/Records of Conversation

Noting Post's limited resources, we plan to write a cable summarising the visit and Records of Conversation for only the following meetings: s 47C(1)

Security

Noting current events I recommend the travelling party download the following applications on their devices before the trip:

- s 47E(d)
- [Tzofar](#) (Red Alert) – This is the application that provides real time updates on missiles/drones/etc – We can configure the settings once they get here so they only

receive alerts for events in the locations that they will be travelling.

Hi s 22(1)(a)(ii)

I just wanted to reach out and thank you very much for your work in support of the Attorney-General's intended travel to Ramallah and hospitality in hosting a meal with the travelling party.

Although the trip has ultimately been cancelled due to the security situation and the Dialogue consequently being called off, I know there has been a lot of work done in preparation. While it's disappointing to not see it all come to fruition, I think we can claim success in having constructed a quite full agenda in a very limited time in some quite extreme circumstances.

Please also extend my thanks to any other staff involved in the background – we've felt so well supported over the past couple of weeks, from both Posts and the IGTF.

Our thoughts are with you - I hope you remain safe and that the situation will ease very quickly.

Kind regards

Good evening, all

The program for Israel is beginning to take shape, or at least have some substance! I'd like to extend my thanks to Post for their advice and support, particularly in helping to identify and arrange meeting opportunities.

I'll start to put activities into a day/morning/afternoon format and add more granularity as timing becomes clearer. Those activities as yet unscheduled or not confirmed I'll leave as a list for now, with notes on timing where applicable. Please see the attached document for current state of play.

s 22(1)(a)(ii) Post has made some further suggestions for meetings to round out the Attorney-General's program – grateful for your consideration and advice, please:

The below issues are suggestions only, and any other points you think are relevant to the visit would be highly appreciated. If there are particular issues you think will be engaged in meetings with any of the people or organisations listed above, happy for this input to go in the thematic briefs with a comment for our visibility. Good evening, all

The program for Israel is beginning to take shape, or at least have some substance! I'd like to extend my thanks to Post for their advice and support, particularly in helping to identify and arrange meeting opportunities.

I'll start to put activities into a day/morning/afternoon format and add more granularity as timing becomes clearer. Those activities as yet unscheduled or not confirmed I'll leave as a list for now, with notes on timing where applicable. Please see the attached document for current state of play.

s 22(1)(a)(ii) Post has made some further suggestions for meetings to round out the Attorney-General's program – grateful for your consideration and advice, please:

s 33(a)(iii)

We will continue to work with Post to further define the schedule, noting that the timing of the visit during the High Holiday period in Israel may make it more challenging to secure some meetings.

Please let me know if you would like to discuss any aspect.

Kind regards

Good morning, all

s 47F(1) sent another revised version later last evening, but there is only one change (highlighted in the attached document) which looks to be correcting a typo.

If possible, it would be very helpful to finalise which sessions Mr Dreyfus will attend, based on this more detailed program, particularly whether he will wish to take up the keynote speaking slot. This will enable us to quickly task line areas for briefing/speech notes, to advise the organisers of his availability and enable Post to schedule other meetings and activities with more certainty.

The organisers are also still seeking Mr Dreyfus' bio and photo, I believe for inclusion in the Dialogue program.

Please let me know if you would like to discuss, or if it would be helpful to set up a meeting today.

Kind regards

Good evening, s 22(1)(a)(ii)

I thought I would send an update on progress today. Following conversations with s 22(1)(a)(ii) (morning, I spoke with s 47F(1) aid out the broad brushstrokes of the Dialogue agenda. He noted that they are in the process of finalising the detailed program with the Israeli government and he hopes to send it early next week.

There are some details still to be clarified and we are seeking further information to aid briefing and logistics.

Subject: Stump speeches and briefing [SEC=OFFICIAL:Sensitive]

OFFICIAL: Sensitive

Hi s 22(1)(a)(ii)

Would it be possible to please send through any relevant 'stump' speeches and current briefing on Israel/Israel-Gaza etc, that would assist AGD to rapidly produce briefing to support the Attorney-General's travel next week?

We have asked our line areas to turn around the briefing in two days, so anything you could supply early tomorrow (Tuesday) would be greatly appreciated.

Kind regards

Dear s 22(1)(a)(ii)

A simple thank you seems entirely inadequate for the huge amount of effort you and colleagues have put in to facilitate our now defunct travel plans.

On both a professional and personal level, it has been an absolute pleasure to work with you. I don't feel we could have been any better supported, particularly given the extremely trying and stressful circumstances you are enduring on the ground at the same time.

Would you please extend my sincere thanks to other staff who have contributed to the arrangements as well, I'm sure there has been a lot of work behind the scenes.

If you have a trip home at some stage, it would be great to catch up for a coffee or a drink.

Please know we are thinking of the team at Post and your families and holding out the strongest hope for an outbreak of peace at the earliest possible time.

Take care and please keep in touch

Warmest regards
