Hello s47F

I am so sorry about yesterday, I am not sure what happened but it had dropped out of my diary. Are you planning on being in Canberra next week? If yes, a coffee sounds ideal. If not lets work on finding a time to catch up.

Sorry again for yesterday, I hope you weren't waiting on us for too long.

Unfortunately, it's looking like the Minister won't be able to attend. However - we were wondering if one of his colleagues might be able to attend to represent him?

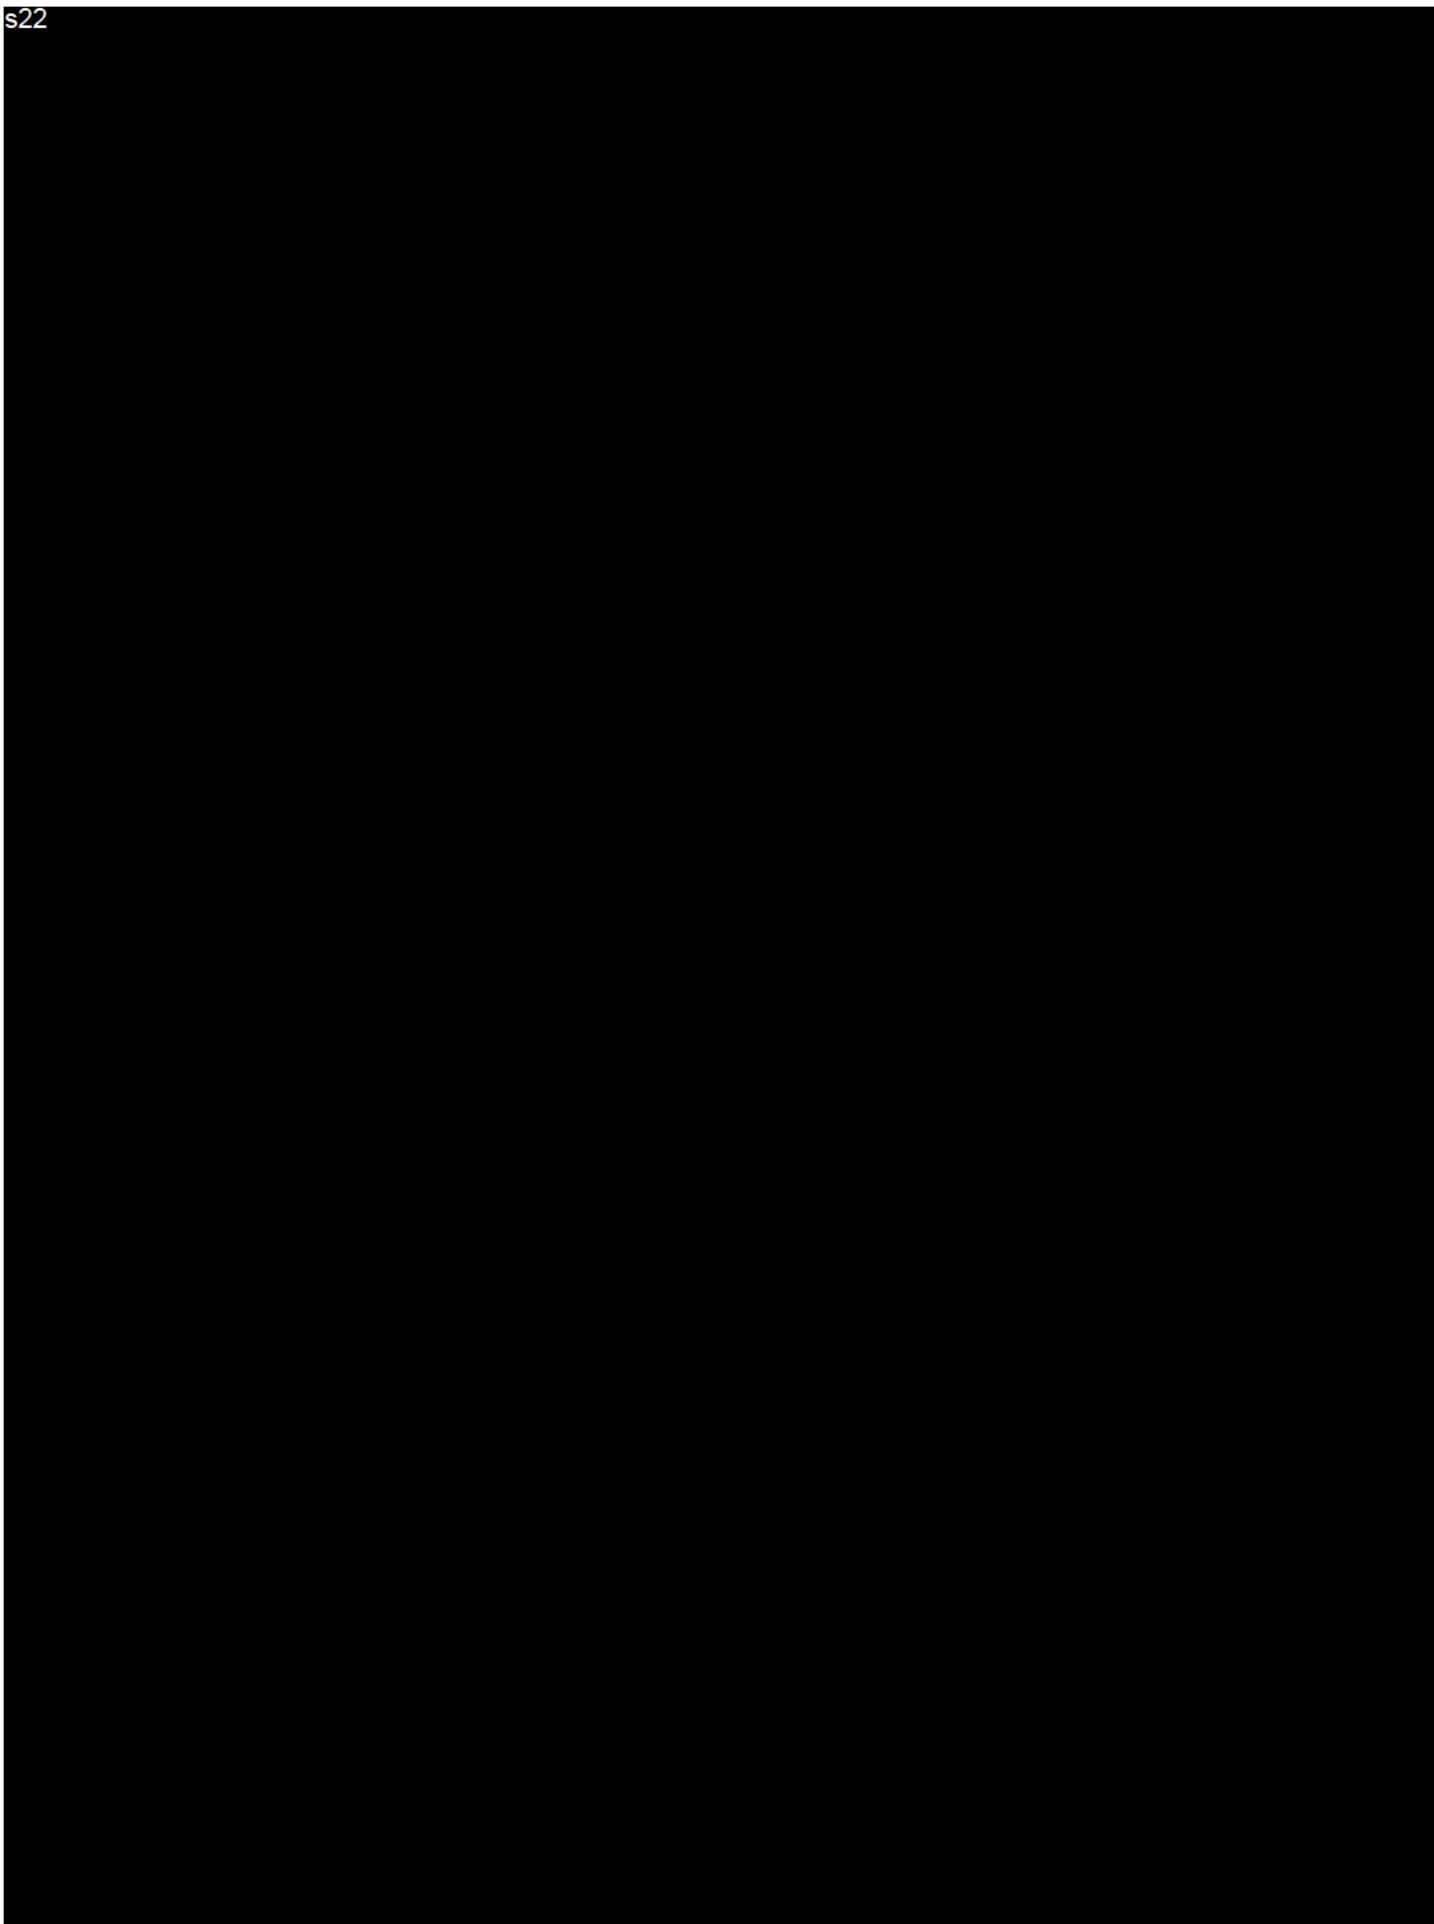

Also, I have cc'd in my Dfat email - I'm on there far more often so is a better place to contact me.

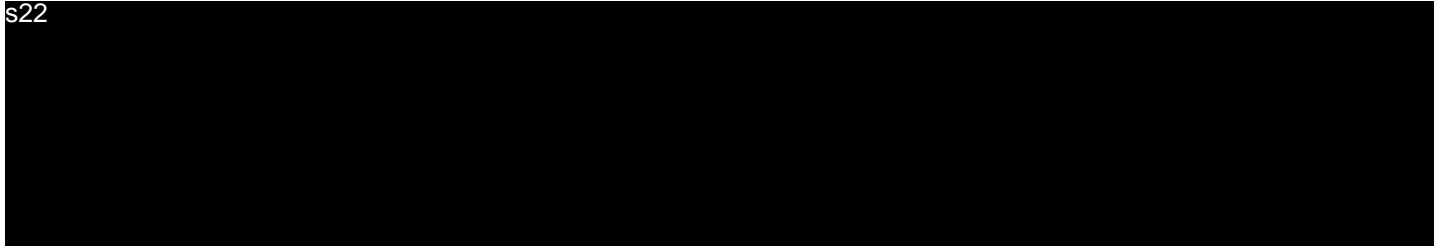

Hope all is well.

Our next Sydney date is 11 June – the Minister could meet in the afternoon again at the airport on arrival from Canberra, around 2:45pm. Should we put that one in the diary then if something comes up earlier from either side we can reschedule?

Unfortunately the Minister will already be overseas on 14 July – he is taking some leave around then.
