

Frequently Asked Questions s 22(1)(a)(ii)

Who will the rollout provide access to vaccinations for?

Vaccines supplied from Australia through our roll out are only authorised for:

s 22(1)(a)(ii)

- Locally Engaged Staff (LES).

s 22(1)(a)(ii)

s 22(1)(a)(ii)

Can LES access host nation's vaccines where the vaccine has not been approved by the TGA or an EUA?

Locally Engaged Staff can access vaccines not approved by the TGA or DFAT PMA in their home country if they are part of their home country's domestic rollout.

The Commonwealth will only meet expenses for vaccinations approved by the Australian Therapeutic Goods Administration or which DFAT has been granted EUA.
