Selection criteria

Criterion 1

Increase Student mobility, diversity and knowledge of the Indo-Pacific

Describe how the Mobility Project will:
(a) increase Student mobility to the Indo-Pacific and Host Location
(b) increase Student knowledge of the Indo-Pacific and the Host Location, and
(c) recruit and support a diverse range of Students to participate in the Mobility Project
(30 per cent weighting; maximum 200 words)

Applicants should describe, including practical examples, how the proposed Mobility Project will increase Student mobility to and knowledge of the Indo-Pacific and the Host Location.

For example, increasing knowledge of the Indo-Pacific may take place through direct learning, cultural training, engagement with local social and cultural institutions or direct engagement with local community, business or academic networks.

Increasing Student mobility may occur by increasing the number of Students able to participate, expanding study program types or fields of study, or providing opportunities for Student groups that would not otherwise have the opportunity to undertake a mobility experience.

Responses should describe steps to encourage and support the participation of a diverse range of Students in the Mobility Project.

-

Criterion 2
Deepen people-to-people and institutional linkages

Describe how the Mobility Project will:
(a) establish new and/or deepen people-to-people and institutional partnerships in the Indo-Pacific, and
(b) build and maintain linkages over time.
(30 per cent weighting; maximum 200 words)

Applicants must demonstrate (including practical examples) how the proposed Mobility Project promotes the NCP Strategic Objective and outcomes through the engagement of Students, universities, Private Sector and other stakeholders; and how these partnerships provide strategic opportunities for enhanced engagement (for example, research collaborations).

Responses should also outline how the partnerships will continue and be maintained in the future, including detailing any current or planned partnership agreements. Responses should also outline any other steps to ensure that the Mobility Project will continue to operate in the future (subsequent to any Funding).

Priority will be given to Applications that demonstrate practical measures to develop deep and enduring relationships among private sector stakeholders as well as Australian Universities and their partner organisations with the aim of fostering a greater understanding of the Indo-Pacific region in Australia.

-200 words

-

Criterion 3

Promotion of the New Colombo Plan

Describe how the Mobility Project will promote the NCP in Australia and the Host Location
(5 per cent weighting; maximum 200 words)

Applicants must demonstrate a well-considered plan (including details of activities) on how the proposed Mobility Project will be promoted in Australia and in the Host Location to build awareness of the NCP, its Strategic Objective and outcomes, and the benefits of study and Internships in the Indo-Pacific. Examples may include:

(a) acknowledgement of the Australian Government's Funding in promotional activities in print and online university and partner marketing channels
(b) proactive promotion of the Mobility Project through local media, including recognition of Australian Government Funding
(c) promotion of the NCP to relevant university staff and prospective participants through university internal communications and Student outreach
(d) promotion of the benefits of offering Internship and Mentorship experiences to Students to prospective Internship and Mentorship sectors or providers
(e) active promotion of the NCP to Students from diverse backgrounds, and
(f) encouraging NCP alumni (including NCP Alumni Ambassadors) to promote the program to prospective mobility candidates.

Describe how the Mobility Project will:
(a) establish new and/or deepen people-to-people and institutional partnerships in the Indo-Pacific, and
(b) build and maintain linkages over time.
(30 per cent weighting; maximum 200 words)

Applicants must demonstrate (including practical examples) how the proposed Mobility Project promotes the NCP Strategic Objective and outcomes through the engagement of Students, universities, Private Sector and other stakeholders; and how these partnerships provide strategic opportunities for enhanced engagement (for example, research collaborations).

Responses should also outline how the partnerships will continue and be maintained in the future, including detailing any current or planned partnership agreements. Responses should also outline any other steps to ensure that the Mobility Project will continue to operate in the future (subsequent to any Funding).

Priority will be given to Applications that demonstrate practical measures to develop deep and enduring relationships among private sector stakeholders as well as Australian Universities and their partner organisations with the aim of fostering a greater understanding of the Indo-Pacific region in Australia.

Criterion 7

Internships

Will the Mobility Project involve an Internship component? Yes/No

Note: Applicants should answer 'Yes' if:

(a) the Application is seeking Funding for Internships Grants, and/or
(b) the Mobility Project comprises or includes a Short-term or Semester-based Internship, clinical placement or residency
(5 per cent weighting; maximum 200 words)

Applicants must advise whether their Mobility Project will incorporate an Internship component in the Host Location and outline the activity involved, the name of the Private Sector Organisation/ institution involved, the proposed benefits to the participants from the Internship and the proposed duration including the total number of hours to be undertaken (e.g.30 hours per week).

-200 words

Criterion 8

Mobility Partnerships

Is the Mobility Project supported by a Mobility Partnership? Yes/No

(10 per cent weighting; maximum 200 words)

If a Mobility Project will involve a Mobility Partnership (see Section 5.4), the Applicant must demonstrate genuine institutional linkages and how the partnership will build relationships with the Indo-Pacific. The response must include information on the Mobility Partner, the proposed benefits to Students from the Mobility Partnership, duration of the Mobility Partnership, confirmation that the Mobility Partnership/sponsorship offer has been made and other relevant information.

For example (from modest to substantial Mobility Partnership support):

- a small amount of in-kind support or cost offset not specific to the aims of the Mobility Project, such as the provision of local transport or accommodation
- larger in-kind support may include enhanced Student experiences though the provision of site-visits and/or industry guest speakers directly relevant to the Mobility Project
- direct financial contribution of benefit to Student experiences and the Mobility Project, and
- multi-year partnership.

Applicants must submit documentary evidence that the Mobility Partnership has been made (MOU or similar formal agreement). The Mobility Partnership MOU or formal agreement must set out clearly the benefits that will be provided, including how and when those benefits will be provided to the Mobility Project and any financial or in-kind contribution.

 There is a technical issue in relation to Criterion 8 in that ISEO is requiring documentary evidence to be uploaded even when the answer to the criterion is NO. ILOs are advised to upload a blank document, named 'not applicable', as a work around with this issue. Please note that you must answer YES and upload the relevant documentary evidence for this criterion to be considered by the assessors

Criterion 9
Is the Host University an offshore campus of an Australian university? Yes/No
(Maximum 200 words)

If so, the Applicant must provide evidence that:

(a)there is a demonstrated benefit to the overall NCP Mobility Program, and
(b)there are no local Host Institutions in the proposed location that offer relevant courses that would receive academic credit from the Home University, and
(c)the Offshore Campus offers a genuine local experience, where Australian Students are the minority of the Student body, and Students are taught predominantly by local or international academics.

Multi-term Funding

How will Multi-term Funding support the Applicant to deliver a long-term and sustainable increase in Student mobility to the region that could not be facilitated by a Single-term Mobility Project?

Note: Only to be completed if the Applicant is applying for a Multi-term Mobility Project (see Section 3.2.5).
(Maximum 200 words)

Applicants must describe how Multi-term Funding will support their institutional strategy to increase and sustain Student mobility to the Indo-Pacific, including how the Multi-term Funding will assist the Applicant to:

(a) stimulate new opportunities to scale-up and sustain ongoing Student mobility, and
(b) strengthen and enhance partnership(s) with the Project Partner(s).

This Assessment Criterion will be assessed as either "eligible" to apply or "ineligible".

Selection criteria
Criterion 1

Increase Student mobility, diversity and knowledge of the Indo-Pacific

Describe how the Mobility Project will:
(a)   increase Student mobility to the Indo-Pacific and Host Location
(b)   increase Student knowledge of the Indo-Pacific and the Host Location, and
(c)   recruit and support a diverse range of Students to participate in the Mobility Project
(30 per cent weighting; maximum 200 words)

Applicants should describe, including practical examples, how the proposed Mobility Project will increase Student mobility to and knowledge of the Indo-Pacific and the Host Location.

For example, increasing knowledge of the Indo-Pacific may take place through direct learning, cultural training, engagement with local social and cultural institutions or direct engagement with local community, business or academic networks.

Increasing Student mobility may occur by increasing the number of Students able to participate, expanding study program types or fields of study, or providing opportunities for Student groups that would not otherwise have the opportunity to undertake a mobility experience.

Responses should describe steps to encourage and support the participation of a diverse range of Students in the Mobility Project.

Criterion 2

Deepen people-to-people and institutional linkages

Describe how the Mobility Project will:

(a) establish new and/or deepen people-to-people and institutional partnerships in the Indo-Pacific, and
(b) build and maintain linkages over time.
(30 per cent weighting; maximum 200 words)

Applicants must demonstrate (including practical examples) how the proposed Mobility Project promotes the NCP Strategic Objective and outcomes through the engagement of Students, universities, Private Sector and other stakeholders; and how these partnerships provide strategic opportunities for enhanced engagement (for example, research collaborations).

Responses should also outline how the partnerships will continue and be maintained in the future, including detailing any current or planned partnership agreements. Responses should also outline any other steps to ensure that the Mobility Project will continue to operate in the future (subsequent to any Funding).

Priority will be given to Applications that demonstrate practical measures to develop deep and enduring relationships among private sector stakeholders as well as Australian Universities and their partner organisations with the aim of fostering a greater understanding of the Indo-Pacific region in Australia.

Selection criteria

Criterion 1
Criterion 1: High quality education experience
Describe the educational value of the mobility project, including learning outcomes relevant to the course's participating students are undertaking at their home university. What competencies will students develop through this mobility experience?

You should outline how the academic quality standards of the home university will be applied to the Mobility project, and how participation in the course will contribute to core learning outcomes of participating students.

s47G

Criterion 2
Criterion 2: Deepening people-to-people and institutional linkages with the Indo-Pacific
Describe how the proposed Mobility project will:

a. **establish new and/or deepen people-to-people and institutional partnerships in the Indo-Pacific, and**
b. **build and sustain these linkages over time.**

You should provide practical examples of how the proposed Mobility project promotes the NCP strategic objective and outcomes through the engagement of students, universities, the private sector and other stakeholders; and how these partnerships provide strategic opportunities for enhanced engagement (for example, research collaborations).
Responses should also outline how the partnerships will continue and be sustained in the future, including detailing any current or planned partnership agreements (such as MoUs). Responses should outline any steps to ensure that the Mobility project will continue to operate in the future (after any NCP funding ceases).
Priority will be given to applications that demonstrate practical measures to develop deep and lasting relationships between Australian universities and partner institutions in the Indo-Pacific.

-
Criterion 3
Criterion 3: Broadening participation and promoting the New Colombo Plan
Describe how the Mobility project will support participation by a diverse range of Australian students and promote the NCP in Australia and overseas

Responses should describe steps to encourage and support the participation of a diverse range of students in the mobility project.
You should demonstrate a well-considered plan (including details of activities) on how the proposed Mobility project will be promoted in Australia and in the host location to build awareness of the NCP, its strategic objective and outcomes, and the benefits of study and internships in the Indo-Pacific.

-
Criterion 4
Criterion 4: Sound management of Mobility Projects
Describe how your institution has been able to implement a similar project, managing risks during disruptive events and achieving lasting linkages with the Indo-Pacific.

Provide practical examples of how the Home University has successfully managed a similar Mobility Project which has contributed to the objectives of the

NCP. Include details of how the project managed student welfare, its approach to risk management and safety precaution, and its approach to monitoring and compliance with safeguards principles (including child protection, the prevention of sexual exploitation, abuse and harassment, and environment and social safeguards). Reference to safeguard's principles include a reference to the Home Institution's own policies and if the project was funded by DFAT, to DFAT's relevant policies that applied to the project.
