Just to book something into the diary – can we make a time for Friday?

My colleague Director (s22(1)(a)(ii)) is not in the office but it would be good to have touched base at least once before we begin drafting this speech. We can organise a follow-up down the track with you.

Any chance we could make it Tuesday 8 August at your offices in Barton?

The whole team is free 1 – 3pm, if that time period worked for you?

s22(1)(a)(ii) – could we please make a time next week to come and chat with you about the contents of this speech? We can come to your office if you prefer – would be good to sketch our parameters of what we will be able to say.

Thank you,

We appreciated the opportunity for our chat earlier this afternoon.

As discussed, Kristin is scheduled to appear as a speaker at the Safeguarding Australia Summit (11 – 12 October). The overarching theme is Great Power Competition – Implications for National Security.

Kristin has been asked to consider speaking on the 'geopolitical implications on climate change'. She will be speaking alongside Professor Mark Howden and s47F(1) for this section of the program.

The Summit attracts high-level government and industry representatives as speakers and audience members.

Grateful if you and your team can forward through any declassified material for us to utilise as the basis of Kristin's remarks.

Kind regards,

Thank you s22(1)(a)(ii)

I look like I have a clash, but might see if s22(1)(a)(ii) wants to attend. If I can move my meeting, I'll come too. Can we please hold a spot for two names: s22(1)(a)(ii) and s22(1)(a)(ii), please?
