

# Pacific Humanitarian Warehousing Program

Pacific island countries and Timor-Leste are better prepared for and more resilient to the impact of disasters

## KEY THEMES

### Green humanitarian action

Delivering environmentally sensitive and climate-resilient humanitarian support

### Gender equality, disability and social inclusion

Ensuring inclusivity and equality for Pacific women, men, children, older people and people with disabilities

### Localisation

Supporting a locally led program, informed by local voices

Informed by Pacific island countries' and Timor-Leste priorities, implemented by the Pacific Community, supported by Partners in the Blue Pacific and France from 2023-2031
